DOVETAIL

Viisit www.mbhplc.co.uk for the full Charnwood range of colours.

For a high quality, cost effective solution to offsite construction look no further than Charnwood's Dovetail Facing Bricks manufactured specifically for the precast market.

Handmade to your bespoke specification in an extensive array of sizes including metric, imperial and our linear i-line dimensions, Dovetail Facing Bricks are available in a comprehensive range of Charnwood colours, including reds, browns, greys and yellows.

We offer an environmentally sustainable solution, manufactured in the UK and competitively priced. Ready to be cut down the middle, producing two slips from one brick, the dovetail shaped frog provides a keyed surface for both stretcher and header slips. Handmade specials can also be manufactured to match our Dovetail Facing Bricks thus eliminating the need to use cut and bonded specials.

Michelmersh has built a reputation for dependable service and the highest level of craftsmanship delivered from our specialist team at Charnwood. For your precast solutions you can trust Britain's Brick Specialists.
